

Western Dressage of Georgia  
Presents  
"Calico Clinic"  
With  
Heather Stalker, USEF "R" WD  
May 28th-29th  
Brandreth Farms in Talking Rock, GA

Come ride with 2022 WDAA World Show Judge, Heather Stalker, for a whole weekend! Saturday will be split into two separate groups (depending on your level). You will either be grouped in the morning or afternoon session. Lunch will be provided on Saturday and Sunday! Sunday will be a Ride-a-Test day with Heather. You will ride your test of choice, get 20 minutes of one-on-one help in specific areas needed and then re-ride your test. This is a fabulous opportunity to get some great feedback and hang out with your fellow Western Dressage enthusiasts. Auditors are welcome! All rides will be held in the lovely INDOOR arena at Brandreth Farms. RV hookups are available. Spots are limited to 14 riders. Stalls are included in rider pricing below. All horses are required to have a stall. No tying to trailers. Stalls have special all weather footing, so no need for shavings. Stalls and RV sites are available for move in on Friday, May 27th after 1:00 PM.
